

MEET OUR SPEAKERS

UWE BRANDENBURG

holds a PhD (University of Bristol) and two Master's degrees. He is Managing Director of the Global Impact Institute, held an Assoc.Prof. at the University Rovira I Virgili (2017-2021), and is a guest lecturer at the ESCP Berlin. Uwe has published widely on internationalization (e.g. Erasmus Impact Study (EIS, 2014+2016). His work focuses on impact and Internationalisation in Higher Education for Society (IHES).

THIAGO FREIRES

a researcher at the Observatory of Life in Schools (OBVIE/CIE) and a full member of the Centre for Research and Intervention in Education (CIE) at the Faculty of Psychology and Education Sciences of the University of Porto (FPCEUP). His research interests include schooling trajectories, teacher education and learning environments

ANNA LINKA

A member of the Experts Council of Universities for Education and Integration of Migrants and Refugees, adjunct at University of Szczecin where she provides intercultural, cross-border and international projects. She teaches subjects related to intercultural education and integration, migration and labour market, integration policies in UE countries. Her Phd thesis won Prime Minister's Award for Distinguished Ph.D Dissertations.

WIEBKE NIERSTE

As Coordinator for the Internationalisation of Teacher Education at Justus Liebig University Giessen, Dr. Wiebke Nierste is responsible for taking strategic and operational measures to promote internationalisation in studies and teaching. Since 2020 she has been the manager of the model project IMPACCT (International Mobility with Partners Abroad for Culturally Competent Teachers) which is part of the BMBF and DAAD funded programme. Before joining the International Office, she was a research assistant and lecturer at the Institute of Classical Studies.
